SERVICES

# INTRODUCTION

# ABOUT US

WD studio is a full service architectural & construction firm located in Riyadh, Saudi Arabia since 2018.

Experienced in many building types spanning both the public and private sectors for residential and commercial.

Public buildings such as schools, malls, office buildings, medical center and clinics which was directly involved in both exterior and interior designs, resulting in successful projects that the Clients and users found enjoyable to occupy.

Private sector clients such as private villas façade, apartment buildings and landscape design, Interior designs with different styles. In addition to designing, execution and supervision services is provided.

# OUR VISION

To continuously build a resilient, agile and capable design business that people want to work with and that is profitable and sustainable.

To be known for creating elegant and responsible architecture for ambitious local and global companies, and for private and listed property developers and funds.

In addition to, the strongest link in excellent teams, delivering value and quality to clients and team members. To be known as an employer of choice and an investor in people and their innate and learnt skills.

To continuously build a resilient, agile and capable design business that people want to work with and that is profitable and sustainable.

To be known for creating surprise and delight, pushing boundaries, and innovative ways of finding opportunity in every project.

# MISSION

Our mission to deliver exceptional buildings that provide real quality of life and measurable long-term investment quality; and to contribute to a better future in better cities by thinking long-term and driving quality decisions.

We act responsibly in our role as custodians of the future, by using resources carefully and to their best advantage for maximum value in the long term

At WD studio we see design as problem-solving by listening carefully to our client's needs to develop creative, practical and sustainable solutions. With an integrated team-focused approach, we guide our clients through the collaborative design process. We offer our clients the best value for services and we take great pride in our work.

# VALUES

## CURIOUS

Enquiring minds uncovering new insight and skills

PROJECTS

# BRANDING

We specialize in branding for strategic identity of brand's products and services on offer. We develop systems which organizes a portfolio of brands as a 360-degree approach.

# NOSTRA

NOSTRA OUR LOGO

NOSTRA NOSTRA

NOSTRA NOSTRA

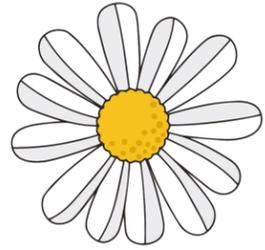

NOSTRA NOSTRA

NOSTRA NOSTRA

NOSTRA NOSTRA

NOSTRA NOSTRA

**the kind ones**

Branding is more than just a logo or a catchy tagline – it's the essence of what defines a company, product, or service in the minds of consumers. It encompasses the visual, emotional, and psychological elements that make an entity unique and memorable.

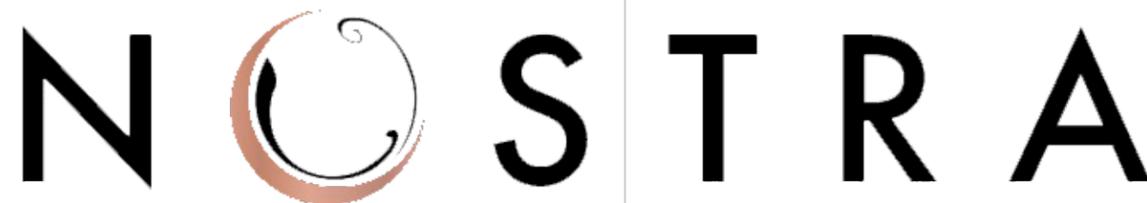

At its core, branding is about storytelling, so we craft the art of a narrative that communicates the values, mission, and promise of a business.

LUBNA ABD ALAZIZ

AlHatta

**"GOOD BUILDINGS COME FROM GOOD  
PEOPLE, AND ALL PROBLEMS ARE SOLVED  
BY GOOD DESIGN."**

**- JOEL SPOLSKY -**

# ARCHITECTURE

We provide a range of architectural services include design, documentation and construction.

We also provide a wide variety of services including feasibility studies, supervising and contracting, and project management.

**New Generation Language School**  
**Location : Cairo, Egypt**

**Office Building**  
**Location : Riyadh , KSA**

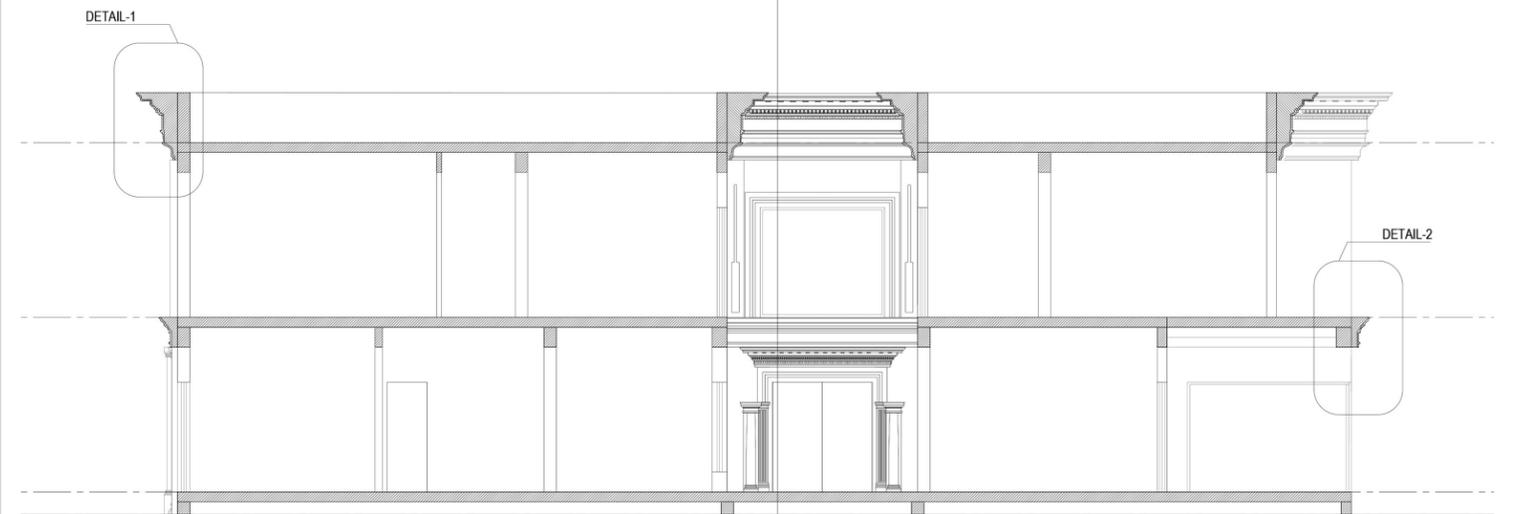

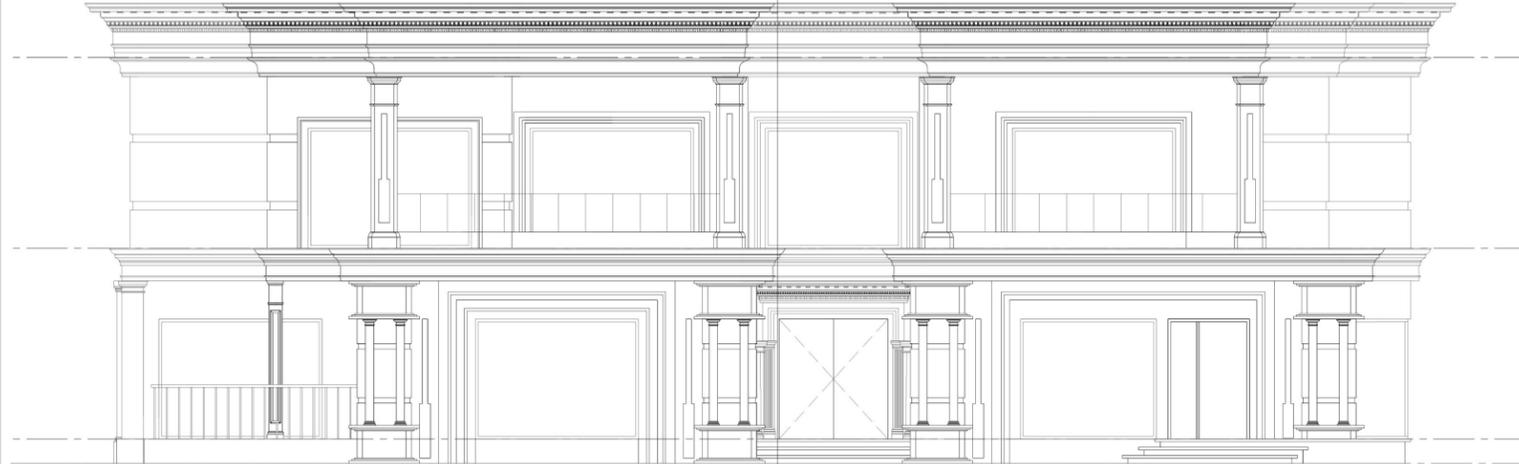

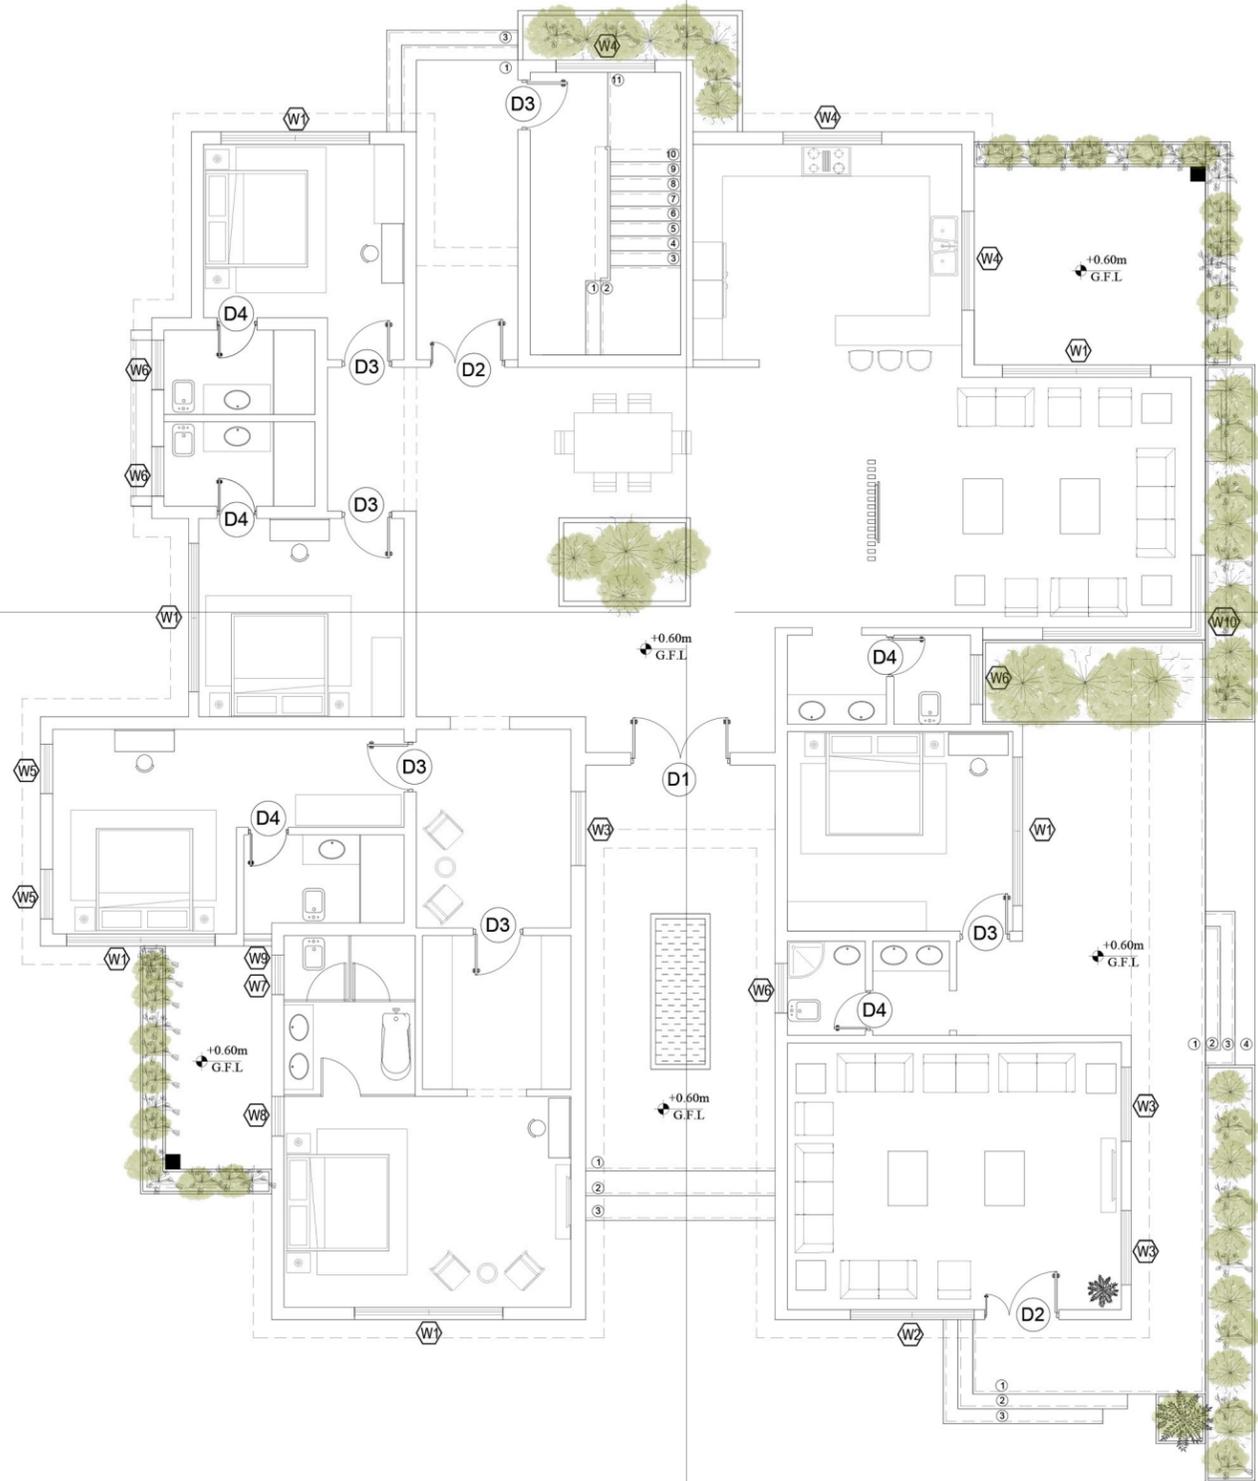

## Apartment Building Location: Sharjah, UAE

In an ever-evolving world, sustainability is at the heart of our design ethos. We believe in creating spaces that not only serve the present but also respect the future.

Project Name : Private Villa

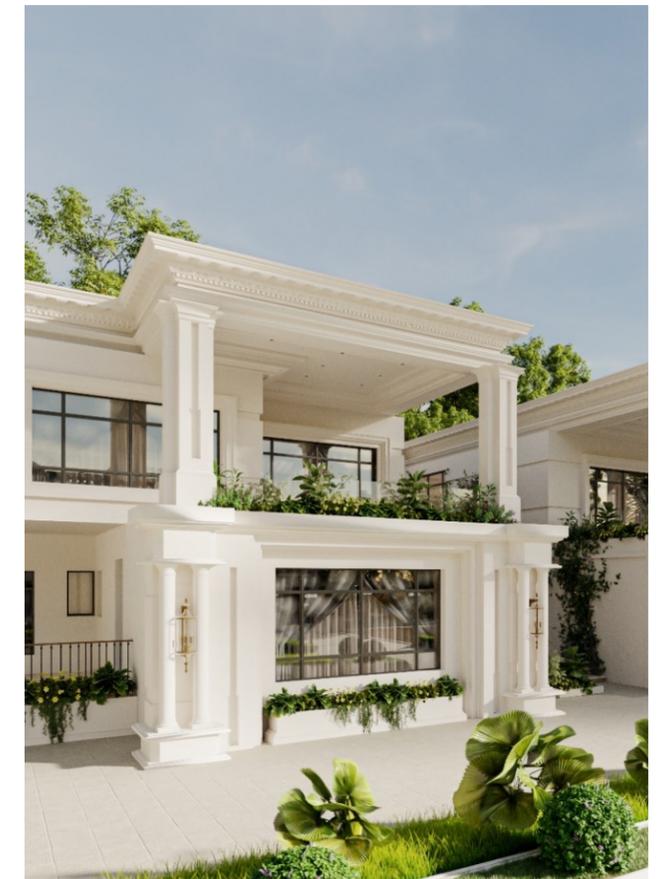

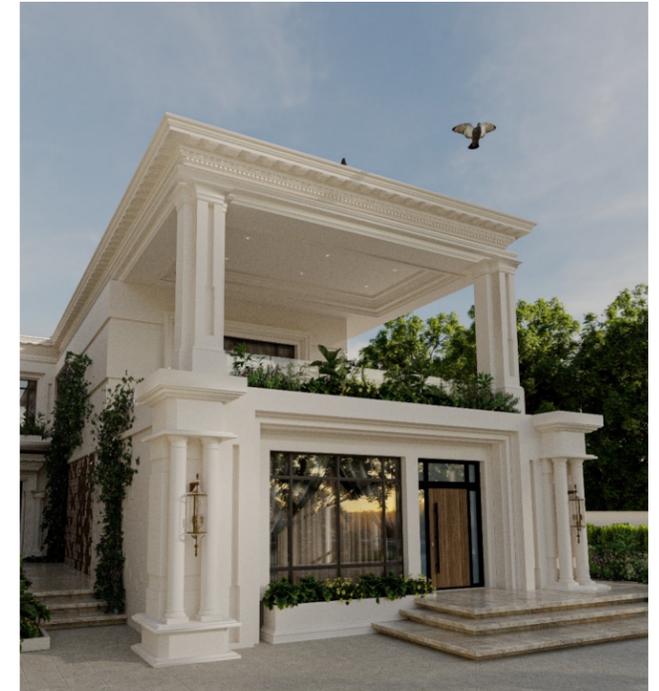

Location: Riyadh, KSA

**Private Villa**  
**Location: Riyadh, KSA**

Our design philosophy is rooted in a deep appreciation for context, culture, and the natural environment.

This allows us to weave unique narratives into each of our projects, ensuring that every space we touch tells a compelling story.

**Private Villa**  
**Location: Riyadh, KSA**

Architecture should speak of its time and place, but yearn for timelessness.

A private villa renovation,  
combining simplicity and  
elegancy.

**"INTERIOR DESIGN IS ABOUT CREATING  
HARMONY AMONG THE ELEMENTS THAT  
INHABIT A SPACE."**

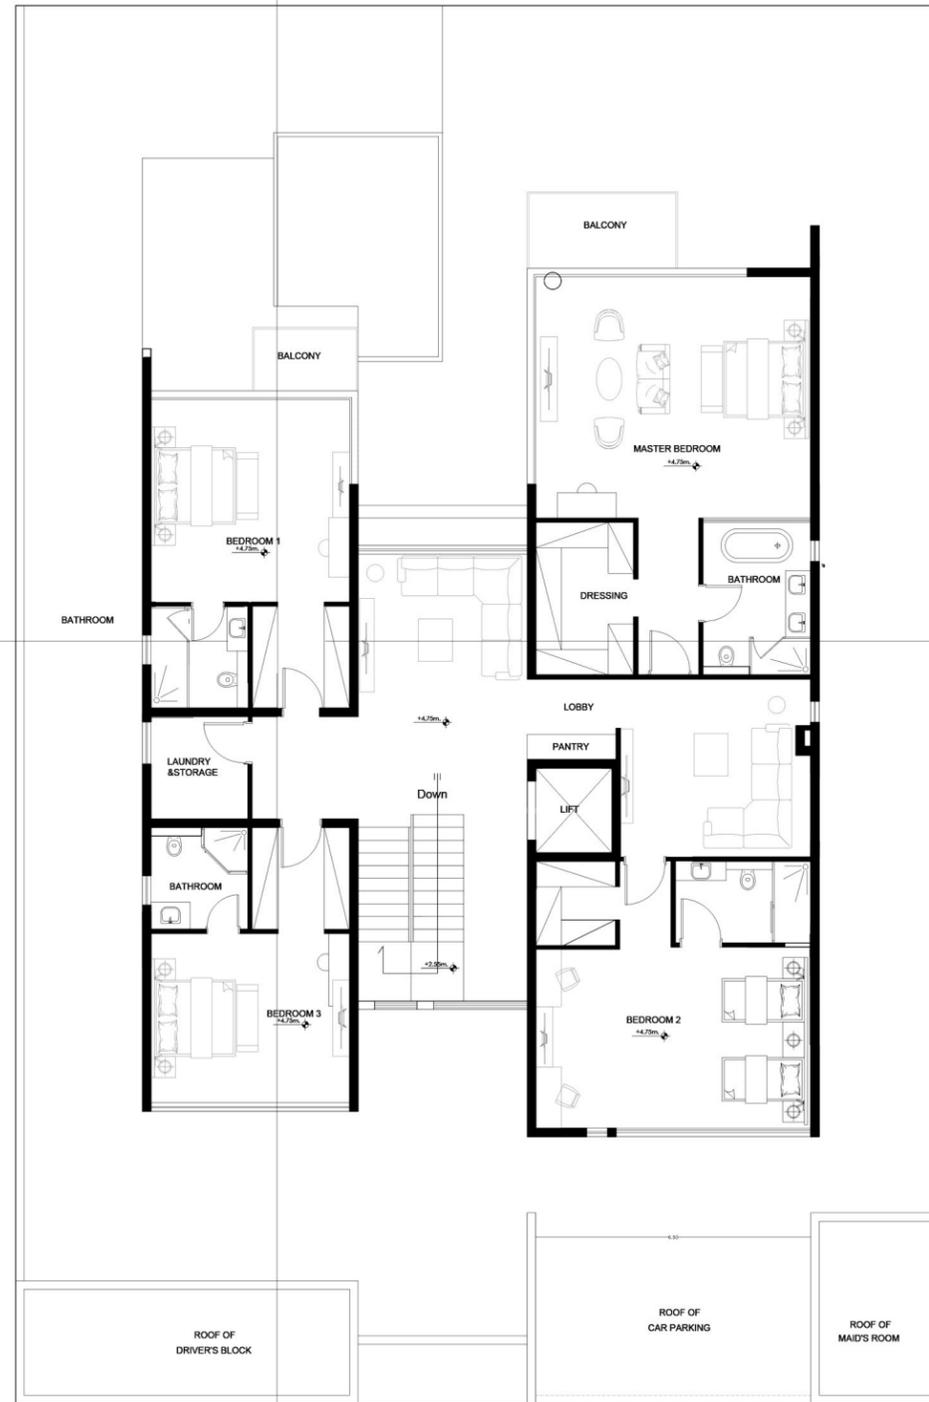

- Lori Dennis -

# INTERIOR

Step into the world of design, where innovation meets elegance to shape interior spaces that inspire, comfort, and enchant.

We handle art and perspective forever more daring projects. Using colors, furniture, artworks or materials that we stage with care.

We recognize that interior design is not just about arranging furniture; it's about crafting environments that reflect your personality, elevate your lifestyle, and foster a sense of belonging.

Our team of skilled designers, artisans, and craftsmen work harmoniously to curate spaces that seamlessly blend form and function.

# LANDSCAPE

At WD Studio, we believe that landscapes are living canvases that tell stories of the land, its history, and the people who inhabit it.

With a deep respect for the environment and a keen eye for design, we transform outdoor spaces into functional and awe-inspiring settings that resonate with both the heart and the senses.

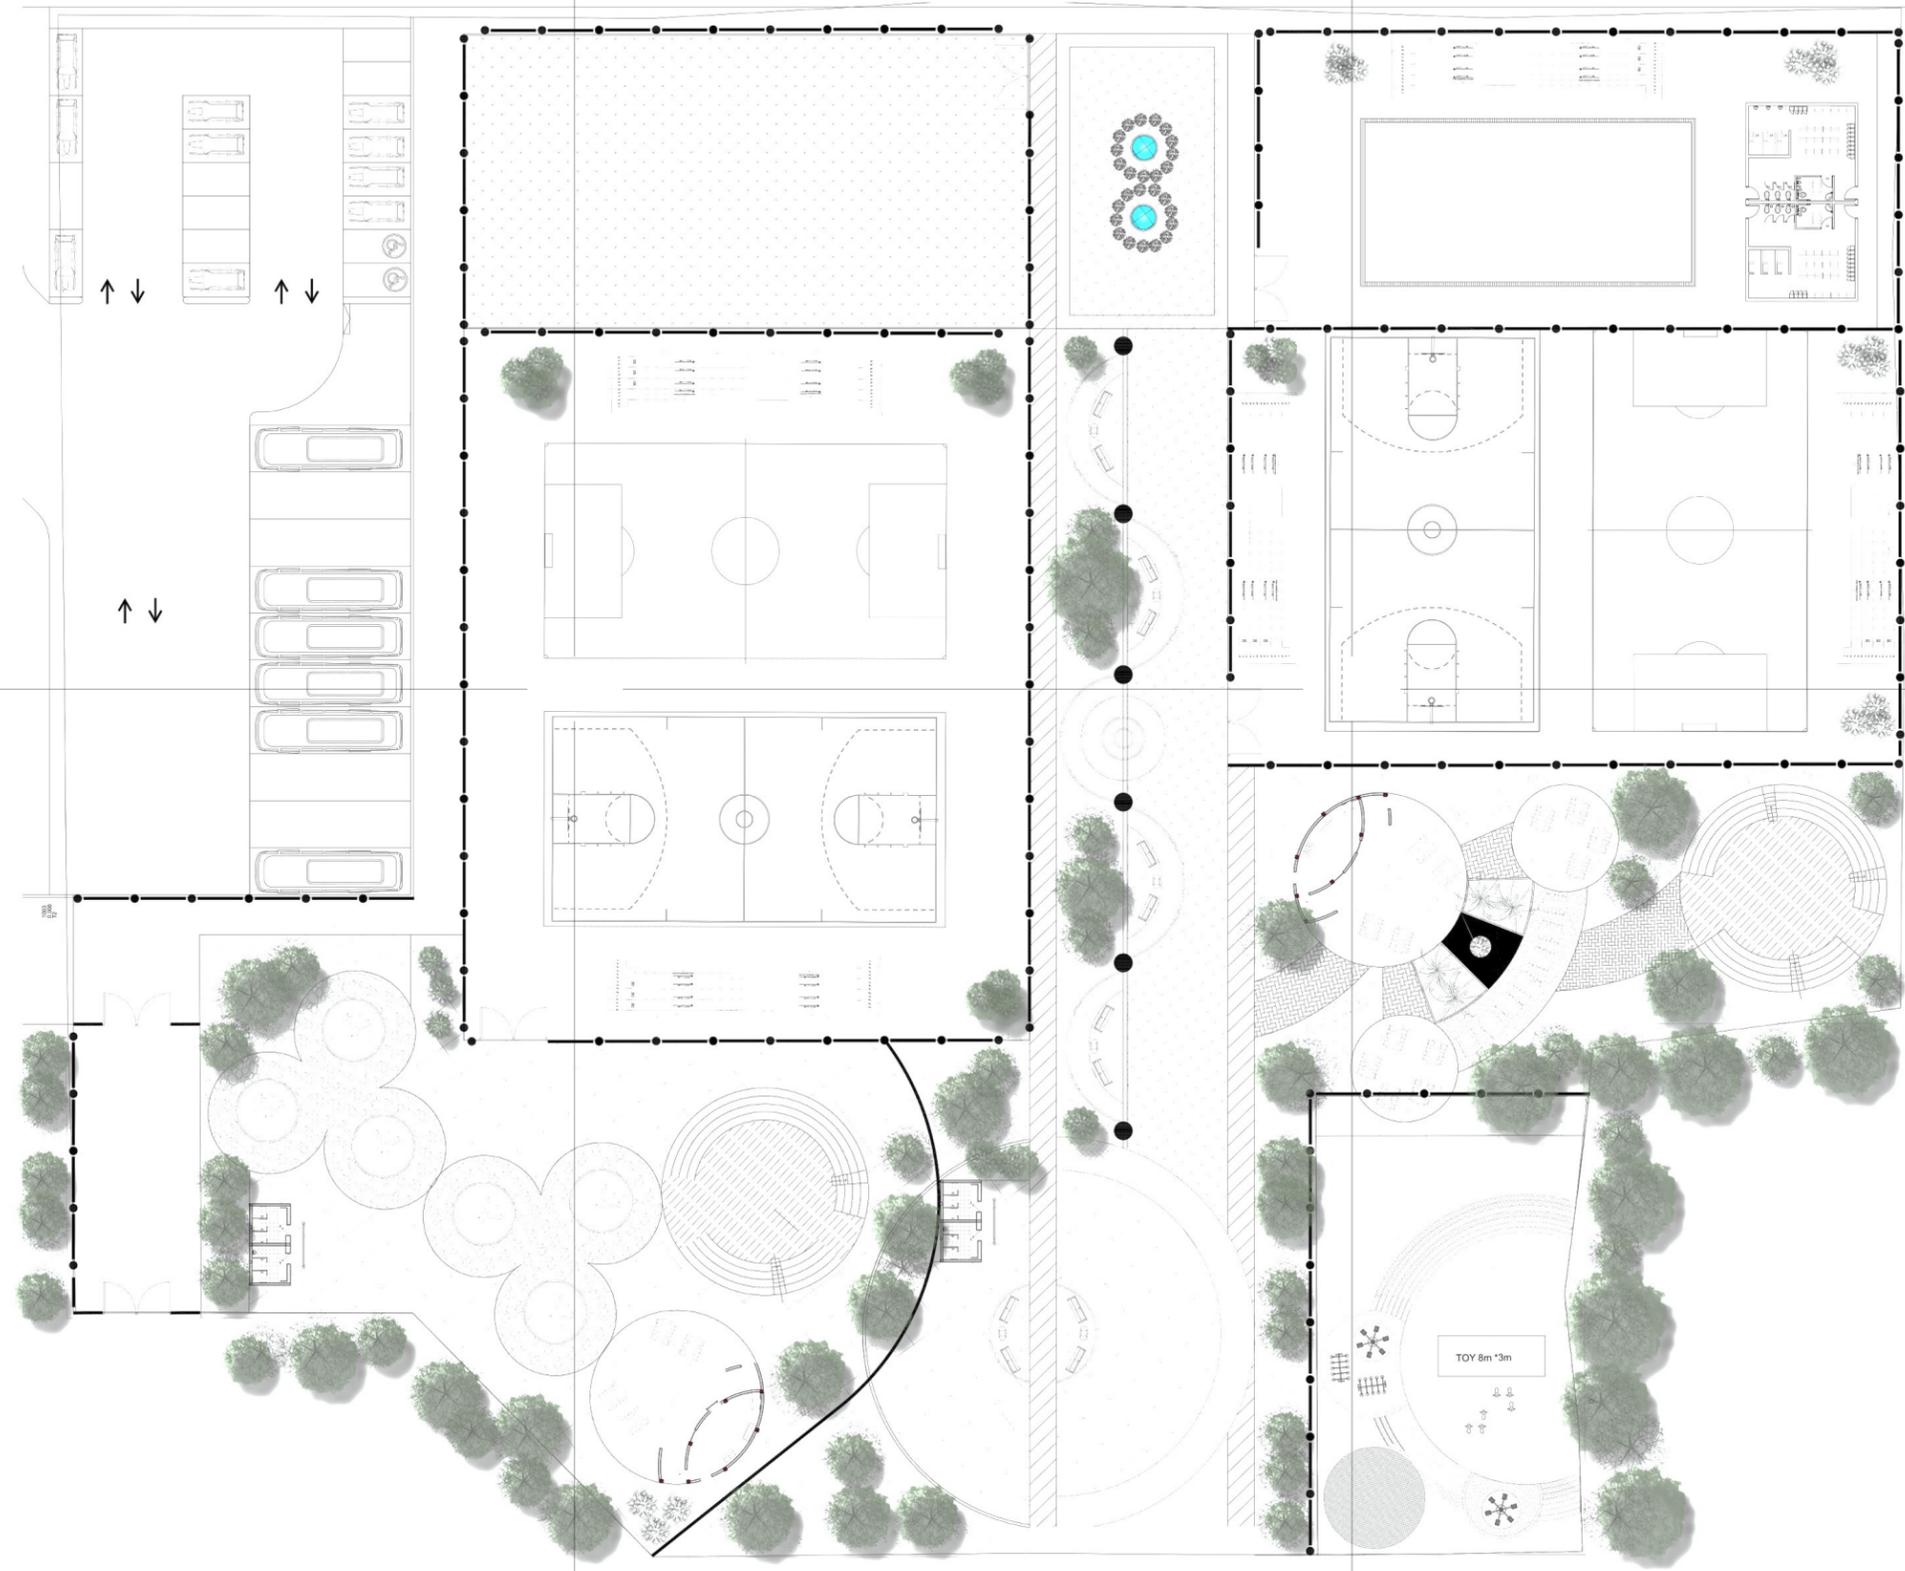

# PRIVATE VILLA

Riyadh, KSA

From conceptualization to project completion, we are dedicated to realizing your landscape dreams with precision and care.

Our transparent communication, attention to detail, and commitment to excellence make us your trusted partner in shaping outdoor spaces that inspire wonder and tranquility.

With a heritage spanning for years, we have had the privilege of working on a diverse range of projects, from expansive public parks to intimate private gardens.

Our design philosophy revolves around the idea that landscapes should not only be visually captivating, but also ecologically responsible and culturally relevant.
